BICYCLE VALET

Hours: 5:30am-Noon

Yeah, we know. There's no cycling leg at the Maui Jim Surf Monkey but because you're a tri-monkey, you HAVE TO ride your bike. Well, we thought of that too.

If you want to ride your bike to the event, we'll have a bike valet. When you arrive at the venue, simply check your bike in with the volunteers at the parking lot just south of the finish line on the south side of the Oceanside Pier. You'll receive a wrist band that will match the band put on your bike.

Remember, NO ONE except the person with the marked wristband will be able to pick up your bike after the race so don't send a friend/family member – unless, of course, they're the one who was given the wrist band.

Also, remember that the Bicycle Valet is closed at Noon. Any bicycles remaining in the valet area will be taken home and sold on E-bay.

So, put your swimming and/or running gear in a back pack, put your helmet on and ride to the Surf Monkey. Just remember, you'll have to ride home too.
